PROFILE

Informatics Engineering graduate from UIN Sunan Gunung Djati Bandung (Cum Laude, GPA 3.83/4.00) with experience in machine learning research, full-stack application development, and data analysis. Experienced in developing web applications using Laravel, Next.js, REST API, and relational databases, as well as building computer vision models using PyTorch. Strong leadership background as General Chair of HIMATIF, with interests in Software Engineering, Machine Learning Engineering, and Data Analytics.

EDUCATION

Universitas Islam Negeri Sunan Gunung Djati Bandung 2022 – 2026

- Bachelor of Engineering in Informatics Engineering | GPA: 3.83/4.00 | Cum Laude
- Thesis: *Feasibility Analysis of EfficientNet-B0 Implementation for Gaze Estimation on Edge Computing Platforms*

WORK EXPERIENCE

SMKS Al-Mumtaz — Full-Stack Developer Intern Sep – Nov 2024

- Independently designed and built a student attendance web application (SADINA) using Laravel and Tailwind CSS.
- Integrated MySQL database management to support end-to-end attendance data processing and reporting.

PROJECTS

Santosa Information System - REST API Client Application Oct 2026

Full-Stack Developer | Laravel, REST API, SQL Server, JavaScript

- Developed a hospital information system integrated with REST API for patient management, visit history, dashboard analytics, filtering, and pagination.
- Implemented CRUD operations, API authentication, validation, error handling, and business logic for patient visits and medical data.

NexusFlow – Full-stack Project Management Platform Sep 2026

Full-Stack Developer | Next.js, React, TypeScript, PostgreSQL, Prisma

- Developed a full-stack project management platform with role-based dashboards, JWT authentication, RBAC/ABAC authorization, task dependency workflows, and client data isolation.
- Built and deployed a responsive frontend using Next.js 16, React 19, TypeScript, Tailwind CSS, TanStack Query, and Zustand, integrated with backend APIs for project management features.

Feasibility Analysis of EfficientNet-B0 for Gaze Estimation on Edge Computing Feb 2025 – Jul 2026

Undergraduate Thesis

- Trained an EfficientNet-B0 model with a custom regression head for 3D gaze direction estimation using the MPIIGaze dataset (~427,000 images), achieving a Mean Angular Error of ~1.46° with ~10,800 FPS throughput.
- Built a Streamlit demo application for real-time gaze direction classification using MediaPipe FaceLandmarker.

SADINA - School Attendance System Nov 2024 – Jan 2025

Full-Stack Developer Intern | SMKS Al-Mumtaz

- Built a Laravel and MySQL-based attendance system to digitize school attendance management.
- Developed a teacher portal, teaching schedules, statistics, and attendance reports with a responsive Tailwind CSS interface.

Money Tracker App Nov 2024 – Jan 2025

Mobile Developer | Mobile App

- Developed an Android finance-tracking app using Kotlin and the Android SDK.
- Implemented authentication, transaction logging, categorization, data export, and financial summaries.

EUREKA! - Q&A Platform for SAINTEK Students Sep 2024 – Dec 2024

Full-Stack Web Developer | Software

- Developed a web-based academic Q&A platform using Agile methodology, covering 7 SAINTEK fields.
- Implemented search and answer-validation features.

ORGANIZATIONAL EXPERIENCE

HIMATIF Student Association, UIN SGD Bandung 2025 – 2026

General Chair | Baskara Bhavana Cabinet | 2025 – 2026

- Led 60+ board members across 8 departments, managed 15 programs, organized 10+ events with 1,000+ participants, and built partnerships with 10 organizations.

Sakti Podcast — Informatics Engineering UIN SGD Bandung 2023 – 2025

PIC Host & Content Creator

- Produced 20+ episodes with 20+ guest speakers, from planning through publication, generating 1,000+ views.

HIMATIF Student Association, UIN SGD Bandung 2024 – 2025

Secretary of Arts & Sports| Elemental Cabinet

- Supported 5+ events with 300+ participants and managed administration and documentation for 5+ work programs.

Google Developer Student Clubs (GDSC) UIN SGD Bandung 2023 – 2024

Community Member

- Participated in 5+ technology learning and community events.
